Ver:01

The following list of pre-recorded song modules and show material are available in their entirety or can be customized to be performed in any sequence and/or order you choose.

Feel free to choose any song from any group and/or category and we can customize a show to fulfill your needs.

If there is a song you would like heard in your show and it is not in our catalog, our in house graphic artists can create a custom module using our state of the art digitizing computers. The possibilities are endless.
